@shawnlent New Blog Post: "The Future of [#Arts](#) Leadership" <http://bit.ly/bWeK6q>

John Abodeely [#aepforums](#) at the Shawn Lent and Cyn Weiss break out on new ideas of leadership. Good questions so far: how do u use change for public good?

John Abodeely [#aepforums](#) what about replacing succession with leadership sharing?

John Abodeely [#aepforums](#) I'm tweeting about Shawn tweeting about her session.  
<http://twitpic.com/1e14uq>

John Abodeely [#aepforums](#) arts exercise abt knowledge change, process of change, using these view modifiers (also known as paper) <http://twitpic.com/1e15du>

John Abodeely [#aepforums](#) are u optimistic or pessimistic about arts education? Fascinating questions here. We r answering 4 ourselves on a spectrum.

[apsiege](#) [#aep](#) experience matters most

[apsiege](#) [#aep](#) how come the older communities let themselves off the hook with tech?

[apsiege](#) [#aep](#) an interesting time with money

[apsiege](#) [#aep](#) growth is a robot

[shawnlent](#) [#aep](#) Transition Towns as a model for dance company.

[apsiege](#) [#aep](#) can policy listen?

[shawnlent](#) [#aep](#) I've heard a lot about arts people talking to arts people.

[apsiege](#) [#aep](#) i am the education department!

[shawnlent](#) [#aep](#) copasetic? hashtag?

[shawnlent](#) [#aep](#) "It's difficult to get someone to see what you're seeing."

RT @shawnlent: [#aepforums](#) How can we use change for the public good? // Check out Building Public Will article <http://bit.ly/9tU1Dg> LOVE IT!
