

What to Wear

**CASUAL
IS OK!**

For some, packing for a conference can feel like a daunting task. We don't want you feeling that way for the Annual Convening! Please wear what you feel best in. We want attendees feeling comfortable and not worrying about the cloth on their bodies. If you feel best in a t-shirt and jeans, go for it! If you prefer a dress or suit and tie, we welcome that just as much!

Rest assured, AEP staff will be wearing a variety of attire including t-shirts, jeans, sport coats, trousers, skirts, blouses, etc.

If you need some guidance for what to wear, we suggest going with one of the four clothing Cs of the Annual Convening:

- **Creative**
- **Confident**
- **Comfortable**
- **Cool**

Temperature Tip: Denver's looking to be in the mid-80s next week. However, the Annual Convening is in a hotel. This means far more unpredictable temperature than the weather!

We suggest having layer options. Pack a favorite jacket, flannel, blazer or hoodie to throw on if the moment calls.
